Spoby

Spencer had been waiting, waiting a whole month to see her husband again. Ever since he walked through the door one month ago Spencer had been counting down the days and now she would count down the hours.

She woke up that morning in an empty bed that she wished Toby filled. They still lived at the loft because they loved it there and didn't want to part with it yet. She woke up with some cramps but tried to fight them off. She eventually got up and went about her usual morning routine. As she was brushing her teeth she had the sudden urge to puke so she did in the toilet, only just making it. She paid no attention towards it.

With only a few minutes left until Toby was back she sat on the couch and waited, staring at the door. She saw the door knob twist to reveal a Toby. She ran into his arms, hugging him with all her might. She put her hands around his neck and his around her waist, pulling her towards him. They kissed passionately and neither one wanted to pull out.

Spencer was forced to eventually pull out for air and looked into Toby's eyes. "You're never leaving again. I missed you too much" She said

"I missed you too baby" He said, giving her another kiss. He leaned down to Spencer's belly and kissed it, "I missed you as well" He said to her belly.

Toby got back up, this time Spencer kissed him.

"How are you?" He asked when they eventually pulled out

"Better now that you're here" She replied

"Why weren't you before?" Toby asked, looking concerned

"Oh, I've just had a lot of cramps and morning sickness but it's completely normal" Spencer explained

"I'm sorry baby" He said

He picked up his 3 month pregnant wife and kissed her once more, she co-operated by twisting her legs around his waist and kissing back. They reached the couch where Toby lied her down and he hovered above her, kissing her. He was basically on top of her but he didn't put any of his weight on her. Spencer seemed to not be kissing as passionately as she was so Toby pulled out, knowing Spencer didn't usually do that, "What's wrong?" He asked.

"Oh, it's just the cramps but its fine, honestly" She admitted.

"Do you want to lie on the bed, it might help" He suggested

"Okay" She whispered, their foreheads touching. She went to get up but was swept up by Toby bridal style. She twisted her arms around his neck, interlocking her fingers with one another.

"I love you so much" She said as he carefully laid her down on the bed, getting in the same position they were in on the couch.

"I loveâ€¦you too" Toby said in between kisses.

Spencer was tugging at his shirt, indicating to take it off. She loved his body and his muscular features and wanted to see and feel them again.

She felt Toby's lips part with her's as he took his shirt off and went back to kissing Spencer. She opened her mouth again, allowing his tongue access into her mouth and he more than happily accepted the invitation.

Toby pulled her up, still kissing with passion and leaned against the pillows so she was now in between his legs and leaning on his bare chest.

"You are wearing too many clothes" He said as he pulled out, needing air.

"Oh really?" Spencer said seductively, she knew that Toby loved when she talked like that, "Then we better fix that hadn't we" She carried on.

Toby began to pull Spencer's top over her head to reveal her smiling on the other side. She was in a blue laced bra with a bow in the middle, on of Toby's personal favourites.

They sat and smiled at each other for a moment and Toby rubbed his hands up and down her bare back, caressing it while her hands were on his chest and her fingers lightly moved up and down, turning Toby on.

Spencer knew it did so teased him for a minute and then started to lightly grind on him. "Oh Spence, you have no idea how much I love you" Toby said, his breathing becoming heavy from her.

Spencer started to grind harder and leaned in for more kisses. She stopped grinding as the kiss deepened and reached down to Toby's jeans, unbuttoning them with her free hand. Once she had them unbuttoned she pushed them down to his knees, still not breaking from their kiss, and he kicked them off from there.

She started to kiss down his neck and down to his stomach and back up again to reconnect with his lips. He decided to take control and pull Spencer so she was now underneath him and he had the power. He kissed her collar bone and slowly moved onto her cleavage. She let out a little moan at this. He made his way down to her jeans, where he ripped them off of her and threw them on the floor.

He then kissed her inner thigh which sent a shiver up Spencer's spine, giving her pleasure. He knew that grinding always made her wet so he prepared himself for it. He lightly started to peel of her black thong and slide them down her legs.

He then put his tongue onto the wetness and swirled it around. "Tobyâ€¦oh my godâ€¦Toby" Spencer moaned. He then made his way back up to her mouth where he kissed her again, his soft lips smashing against hers. Spencer reached down to slide his boxers off while in the kiss while Toby worked on unclasping her bra. They managed to do it while not breaking the kiss.

Toby teased her by placing his cock on her but not inserting it just yet. He leaned down to kiss he again and slowly entered her, distracting her. He felt Spencer's face crumple as he started to move back and forth so slowed down immediately and pulled out from the kiss but keeping his face close to hers. "Am I hurting you?" Toby whispered in her ear.

"No, it's the cramps again." Spencer explained

"Oh, do you want me to stop?" Toby asked, concerned

"No, I'm fine" She said

"Okay, just tell me if you want me to" Toby said and kissed her once more, slowly beginning to move again. He tried to go slow and light to avoid hurting her as he felt her walls inside grip around him. He knew she was close so used one hand to massage her boob and the other to grip her waist, securing her.

She came and he came a second after.

He lied down next to her and pulled her towards him. "Are you okay babe?" He asked her, her head now resting on his chest.

"Yeah, I'm fine" Spencer said

"Okay, I love you" Toby said, kissing her head

"I love you too" Spencer responded
